

Job Vacancy

Aluminium Window, Door and Curtain Walling Fabricator

Job Type: Full-time

Hours of work: 7am to 5pm Monday – Thursday (38 hours per week) – with opportunities for overtime.

Desired experience: Aluminium Windows, Doors and Curtain Walling Fabrication: Minimum of 3 years

Due to an ever increasing demand for our quality services and products PSP Aluminium are now seeking to recruit experienced Fabricators with a good general knowledge of Aluprof, Reynaers, Schuco, Technal and Kawneer curtain wall and window systems.

Duties will involve:

- Fabricating aluminium windows, doors and curtain walling.
- Working from production packs and drawings issued
- Reading and understanding drawings
- Using system manuals to aid in fabrication
- Maintaining a tidy workspace
- Working within targeted deadlines for the project

The Role will involve all aspects of production as well as some additional supervisory elements, and a willingness to work overtime during busier periods is essential.

In return we offer a healthy remuneration package which includes pension and a real chance to progress throughout the ranks for the right person inclusive of training where necessary.

Interested parties should forward a CV to:
